

# Employee Code of Conduct Policy

This employee code of conduct policy may also be referred to as a **conduct in the workplace policy**.

## Policy brief & purpose

Our **Employee Code of Conduct company policy** outlines our expectations regarding employees' behavior towards their colleagues, supervisors, and overall organisation.

We promote freedom of expression and open communication. But we expect all employees to follow our code of conduct. They should avoid offending, participating in serious disputes, and disrupting our workplace. We also expect them to foster a well-organized, respectful, and collaborative environment.

## Scope

This policy applies to all our employees regardless of employment agreement or rank.

## Policy elements

### What are the components of an Employee Code of Conduct Policy?

Company employees are bound by their contract to follow our Employee Code of Conduct while performing their duties. We outline the components of our Code of Conduct below:

#### Compliance with law

All employees must protect our company's legality. They should comply with all environmental, safety and fair dealing laws. We expect employees to be ethical and responsible when dealing with our company's finances, products, partnerships, and public image.

#### Respect in the workplace

All employees should respect their colleagues. We will not allow any kind of discriminatory behavior, harassment or victimization. Employees should conform with our equal opportunity policy in all aspects of their work, from recruitment and performance evaluation to interpersonal relations.

#### Protection of Company Property

All employees should treat our company's property, whether material or intangible, with respect and care.

**Employees:**

- Should not misuse **company equipment** or use it frivolously.
- Should respect all kinds of **incorporeal property**. This includes trademarks, copyright, and other property (information, reports etc.) Employees should use them only to complete their job duties.

Employees should protect company facilities and other material property (e.g. company cars) from damage and vandalism, whenever possible.

**Professionalism**

All employees must show integrity and professionalism in the workplace:

- **Personal appearance**

All employees must follow our dress code and personal appearance guidelines.

- **Corruption**

We discourage employees from accepting gifts from clients or partners. We prohibit briberies for the benefit of any external or internal party.

- **Job duties and authority**

All employees should fulfill their job duties with integrity and respect toward customers, stakeholders, and the community. Supervisors and managers must not abuse their authority. We expect them to delegate duties to their team members considering their competences and workload. Likewise, we expect team members to follow team leaders' instructions and complete their duties with skill and in a timely manner.

We encourage mentoring throughout our company.

- **Absenteeism and tardiness**

Employees should follow their schedules. We can make exceptions for occasions that prevent employees from following standard working hours or days. But, generally, we expect employees to be punctual when coming to and leaving from work.

- **Conflict of interest**

We expect employees to avoid any personal, financial, or other interests that might hinder their capability or willingness to perform their job duties.

- **Collaboration**

Employees should be friendly and collaborative. They should try not to disrupt the workplace or present obstacles to their colleagues' work.

- **Communication**

All employees must be open for communication with their colleagues, supervisors, or team members.

- **Benefits**

We expect employees to not abuse their employment benefits. This can refer to time off, insurance, facilities, subscriptions, or other benefits our company offers.

- **Policies**

All employees should read and follow our company policies. If they have any questions, they should ask their managers or Human Resources (HR) department.

## **Disciplinary actions**

Our company may have to take disciplinary action against employees who repeatedly or intentionally fail to follow our code of conduct. Disciplinary actions will vary depending on the violation.

Possible consequences include:

- Demotion.
- Reprimand.
- Suspension or termination for more serious offenses.
- Detraction of benefits for a definite or indefinite time.

We may take legal action in cases of corruption, theft, embezzlement, or other unlawful behavior.
